Part II (To Be Completed by the Student’s Academic Advisor or Department Head)

ISSS must confirm the student’s date or expected date of degree completion in order to issue the Form I-20 with accurate program completion date. Based on your answer below, we will set the program completion date of the I-20. The student must complete the degree program by the date listed below.

For advisors to graduate students: Per graduate school definition, a Graduate Assistantship is part of a student’s academic program. Therefore if the student has a graduate assistantship in the semester that they will complete the degree, the I-20 program end date will reflect either the Graduate Assistantship contract end date OR the date of degree completion indicated below, whichever comes later. This will allow the student in most cases to complete the required duties of the graduate assistantship.

Student’s Degree Level (BS, MS, Ph.D. etc.): ___________  Student’s Academic Major: ______________________

If Plan A Master’s or PhD student:
When will/did this student complete all course requirements (if Plan A Masters or PhD)? __/__/________
