## Pre-Arrival To-Do Checklist

Follow this checklist for your important incoming immigration, university and adjustment needs. Print it out or use it online to follow the links online for more information.

### Get Accepted to UConn

Congratulations! You’ve already done the hardest part!

### Review & Sign Your Form I-20/DS-2019

Carefully read all pages & sign & complete the STUDENT/EXCHANGE VISITOR CERTIFICATION at the bottom of Page 1. Important! Notify ISSS immediately if there are any errors on your Form I-20/DS-2019 BEFORE you apply for your visa, so we may send you a corrected Form for your visa application.

### Make a Visa Appointment & Pay SEVIS Fee

Pay the SEVIS fee & contact international@uconn.edu with any questions.

### Review the ISSS New Student Information

Visit our webpage for interactive information & take our pre-arrival quiz.

### Participate in an ISSS New Student Live Chat

Join ISSS online for a chance to ask current students questions about life at UConn. Check your email for log-in information.

### ISSS Orientation

All international students will attend a session presented by ISSS as part of your orientation program. Find out which orientation(s) you must attend, and whether your orientation requires advance sign-up here.

### Book Your Flight

Unless instructed otherwise, we suggest booking a flight that arrives during local business hours (Monday - Friday, 8 am to 5 pm). In the unlikely event that you encounter any issues upon arrival, UConn offices will then be open to assist you. If you already booked your flight to arrive outside business hours, don’t panic! The airport will likely be able to contact UConn in the event of a problem. Keep in mind you can enter the U.S. up to 30 days prior to the start date on your I-20/DS-2019. If you will arrive later than your start date, contact international@uconn.edu.

### Upload a Photo for your Husky One Card

The Husky One Card is your official UConn ID card. It gets its name because this one card serves many functions. Follow the instructions to upload a photo in order to have your card processed. Read more about the Husky One Card and other Common UConn Vocabulary.

### Complete Student Health Services Requirements

You likely received an email from Student Health Services instructing you to complete the required New Student Packet Forms found here. NOTE: School of Law & Social Work students do NOT complete these forms. Make sure to complete these forms and all vaccinations prior to arrival to avoid additional costs. Contact Student Health Services at 860-486-4700 or SHS@uconn.edu.
