Graduate Assistants

“Graduate Assistant (GA)” is an umbrella term that includes both Teaching Assistants (TAs) and Research Assistants (RAs).

- **Appointment Start Date**
  - The fall appointment start date is always August 23. The spring start date for the GA contract is ~January 6.
  - GAs are typically expected to be here by the start date of their appointment.
  - You should not begin your GA duties until you are here in the U.S.

- **Registration**
  - Deadline to register: the start date of your GA appointment
  - For GAs, 6 credits is considered full-time. (For non-GA grads, full-time = 9 credits.)
  - You can still adjust your schedule through the add/drop period but you must maintain six credits of enrollment

- **Tuition Waiver and Fee Bill**
  - Your tuition waiver will not appear on your account unless there is both an active payroll authorization (processed by your department) and you are enrolled in six credits.
  - GAs have access to [GA payroll deductions](#) to pay their student fees each semester.

- **Stipend Levels**
  - Stipend levels are determined by both program and experience.
    - Level 1 (B) - Master’s degree students; doctoral students without a master’s or master’s equivalency
    - Level 2 (M) - 30 credits or previous master’s degree, must be in a doctoral program
    - Level 3 (PhD) - General Exam milestone
  - If Grad Admissions shared in your matriculation letter that they need a copy of your final transcript, please be sure to have your official transcript showing degree conferral sent to The Graduate School from your prior institution. For GAs in a doctoral program, there must be evidence of your conferred master’s degree on record in order to be eligible for a Level 2 stipend.

English Proficiency Policy for TA’s

All Teaching Assistants for whom English is not a primary language must pass an oral English proficiency test regardless of citizenship or visa status in order to have direct instructional responsibilities. A primary language is defined as a language used to communicate since childhood.

Screening: Begins with the TOEFL or IELTS Speaking score, the PTE score. More information about score requirements can be found on our website: https://ita.uconn.edu/testing-english-proficiency-certification-effective-for-teaching-assistants-starting-in-fall-2014-or-after/

Duolingo scores or Waivers for admission: Interview is the first step of the screening process.
This orientation is for prospective international TA's who have never taught in the U.S. International TAs who are coming to UConn after having taught at another U.S. institution should submit written evidence of the TA position to the UCAELI office. English proficiency may be certified based on previous TA experience, but the student is still welcome to attend the UConn ITA orientation.
